Bath Christmas Market

Thursday 30 November 2023

Beautiful Bath needs no introduction but it is especially magical at Christmas time. Over 170 seasonally decorated wooden stalls will adorn the pedestrian areas of Bath City Centre, bringing together talented artists and crafts people, as well as a varied selection of food and alcohol producers.

Talented makers with their unique products are the essence of what makes the Bath Christmas Market so special, with each one carefully selected to give the best shopping experience possible. From handmade wooden toys, crafted candles, to tasty cheeses, fruit wines, silver jewellery and original artwork, you will be able to find something for everyone on your Christmas gifts list whilst enjoying a glass of hot mulled wine as you browse.
